I heard about the City's efforts to attack pot holes and hope that the pot holes / street repairs on Sepulveda Boulevard between LAX and the BID are on the list. Council President Garcetti said there may also be stimulus money for big-fixes such as this one. I hope you can get us on the list.

Also, perhaps stimulus money could be allocated to repair the public alley on the east side of Sepulveda between the parking lots and the business entrances, which is a tremendous liability for the City given its terrible condition and notice of the hazard. Can that area get on the list?

Thanks NAte.
